ho ho ho, happy new year!!! kinda a fun week ngl, I got a class where 80% of ppl still use flashcards or their laptop for a freaking short 5mins presentation, and ppl still use stomach ache as an excuse to not present, and yes, I got a middle school flashback. I feel like sbu just wants to admit some bums to take their money.

PI will be around until the end of spring so I definitely can finish my paper. I think I'm also getting a buffed letter of recommendation cuz I might just be the last person he mentored.

If I could only find a note to make you understand~
I'd sing it softly in your ear and grab you by the hand~
Just keep it stuck inside your head, like your favorite tune~
And know my hearts a stereo that only plays for you~
My heart's a stereo~
It beats for you, so listen close~
Hear my thoughts in every no-ooooooooote~
Make me your radioooo~
And turn me up when you feel low~
This melody was meant for you~
Just sing along to my stereo~
Oh, oh-oh, oh, oh, oh-oh, oh to my stereo~
